Dear Parents & Carers

This week I have been talking to the children about walking to school safely.

One of the things that I have asked them to stop doing is walking across the road in the area between the two school gates and instead cross the road at the end closest to the main road.

I have seen some dangerous maneuvering of vehicles in that area, admittedly mainly done by parents whose children do not attend this school.

Therefore, I am asking parents to do the following:

- Significantly slow down when turning into or out of the site entrance from the mainroad.
- Avoid U turns or three point turns in that area between the gates.

It has been a long term but an enjoyable one. Don't forget that Friday is an INSET day and so we will be handing the children back to you for a while.

See you all back in school on November 2nd.

Jim Hartley
Interim Headteacher
