Dear Parents/Guardians,

The children are looking forward to starting their swimming sessions the second week back after Christmas and I have included the days when your child will be attending as a reminder. All swimming sessions are conducted by qualified swimming teachers employed by Places Leisure. They have advised 45 minute to hour-long sessions depending on the children's swimming needs, which will allow for greater development.

For the day your son/daughter is swimming, they will need to bring a swimming costume/trunks and towel with him/her and swimming goggles if they have them. All children are required to wear swimming hats. We do have some hats in school but if you would prefer your child to wear their own please ensure it is packed on each of the swimming days. Please ensure that verruca sock(s) are worn if necessary, hair is tied back if it is long and that no jewellery or valuables are taken to the pool. Children arrive to school at the normal time please.

If children would like to wear their swimming costume under their uniform they may but they must remember to pack pants! Can I also ask that all children bring a healthy snack to have after their lesson as they are always very hungry.

Should there be any queries regarding the swimming programme, please do not hesitate to contact us.

Yours sincerely,
Sarah Gowers
