10th October 2025

Dear Parents/Guardians,

I am excited to inform you that Year 5 have the opportunity to stay at Stubbington Study Centre on the week of **9th February 2026** for their overnight residential visit. Stubbington Study Centre offers the children a range of exciting activities which link closely to our year five science curriculum. It is also a wonderful opportunity for your child to explore and learn whilst being outdoors. All of the children who attended last year returned full of memories. Children loved watching the badgers, enjoyed the opportunity to work as a team on Earthquake and all said the food was amazing! There will be 2 classes going **Monday 9th – Wednesday 11th** and 3 classes going **Wednesday 11th – Friday 13th** (classes will be confirmed at a later date).

In order to secure a place for Fair Oak, we have to follow the centre's booking policy and confirm numbers. The residential will cost £172.90, with a discounted price of £85 for those eligible for pupil premium. This covers the trip (accommodation and all food) and transport. This is a cost that can be spread out over the next 5 months in the lead up to the residential.

A non-refundable deposit of **£50** will need to be paid by **Friday 21st November 2025** in order to secure your child's place. The final amount of £122.90 by **Tuesday 3rd February 2026**.

Payments can be made via Arbor, or by cash or cheque to the office. We need to receive your deposit by 21st November 2025

There will a meeting after school on **Tuesday 25th November 2025 at 6pm** to discuss essentials such as kit lists, schedules and the activities the children will be doing.

Yours sincerely

Mike Darby
Year Five Leader
