SATS Week

Dear Parents and Carers,

With SATs week nearly upon us, we wanted to convey a few messages for parents, carers and pupils.

Firstly, how pleased and impressed we have been by the attitude and effort of all the children over the course of the year. They have worked incredibly hard and should be proud of the progress they have all made. As a result of this, they should approach SATs week with a lot of confidence.

The assessments will be taking place on the following days:

Monday 12 th May	SPAG Test (Grammar and Punctuation) – 45 minutes SPAG Test (Spelling) – 20 minutes.
Tuesday 13 th May	Reading Test – 60 minutes
Wednesday 14 th May	Maths Paper 1 (Arithmetic) – 30 minutes Maths Paper 2 (Reasoning) – 40 minutes
Thursday 15 th May	Maths Paper 3 (Reasoning) – 40 minutes

I would like to thank all of our parents who have given our children so much support in the lead up to SATs. Our final tips for making SATs week as calm and productive as possible are to ensure your child(ren):

- Have a good night's sleep.
- Have a good breakfast every morning – in school, at home or both!
- Have a healthy break time snack in school.
- Have a water bottle in school each day.
- Arrive at school on time: 8.30am - 8.45am.

In the event of your child feeling unwell, please contact the school to discuss this as early as possible each morning. The office is staffed from 8am. If children are unable to attend school on any day of SATs week, it is possible for them to still complete the assessments as long as:

- Parents can assure us that their child has not had access to the internet
- Parents can assure us that their child has not had contact with children who have taken the assessments
- Your child returns to school within 5 days.
