

Fair Oak Junior School

Friday 19th September 2025

Fair Oak

Dear Parents and Carers,

This week has continued to be filled with energy, teamwork and sporting spirit. We have continued to see many of our children take part in football trials as well as representing the school at the dodgeball competition at Wildern. It has been wonderful to watch our children challenge themselves and encourage one another. A huge thank you goes to our dedicated PE team for all the time and effort they have put into planning and leading these events.

Looking ahead to next week, we are proud to support the “Go Green for Macmillan” day on Friday. This is a special and meaningful event in our school calendar, as we raise funds and awareness for such an important cause. We do recognise that cancer touches families in different and sometimes difficult ways and we approach this event with great sensitivity and care.

Next week will also see the launch of our new leadership opportunities for children across the school. The range of roles include:

- Wellbeing Ambassadors
- Eco Warriors
- School Council
- Sports Leaders
- House Captains
- Librarians
- Junior Road Safety Officers (JRSO)
- Empowerment Leaders

These opportunities will be introduced to the children in assembly and those who are interested will be invited to prepare and deliver a short speech to their class, explaining why they should be chosen. Pupils are welcome to apply for more than one role if they wish. We hope this process will inspire them to reflect on their strengths and passions, while also giving them a valuable opportunity to build confidence, practise leadership and take on greater responsibility within our school community.

We are also looking forward to welcoming as many Parents and Carers as possible to our ‘Meet the Team and Discover the Year Ahead’ events during the week commencing 29th September. These sessions will provide an opportunity to meet your child’s teacher and gain an insight into the exciting learning experiences planned for the year ahead.

In addition, we are delighted to announce that our school library will be opening next week for the children to explore. A huge thank you goes to Mrs Cooper, with support from Mrs Borham, for the incredible effort they have put into organising and preparing the space. We are very excited for the children to enjoy this wonderful resource and to foster an even greater love of reading across the school.

As always, we hope you have a lovely weekend.

Zoe Loosemore
