

Fair Oak Junior School

Friday 5th December 2025

Fair Oak

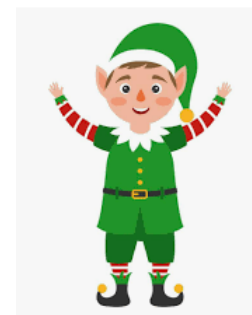

Dear Parents and Carers,

Our Christmas Post Box will be out and ready for festive deliveries from Monday 8th December! Our House Captains, will be sorting the post for everyone. Please remind children to include names (first and surname if possible) and classes on their envelopes so cards reach the right people.

We would also like to say a huge thank you to our wonderful PSA for transforming the school with beautiful Christmas decorations. The halls and corridors are full of festive cheer and the children (and staff!) are loving it. In addition, the PSA have once again organised the Christmas hampers for our raffle—thank you so much for your generous donations. The raffle will be drawn next Friday after school at 3.45pm.

Our school elf, introduced and organised by the House Captains, is in school. Each day it is visiting classrooms, spreading either kindness or a little mischief. Children are excited to plan and see where it will appear next!

This week, the children have also been completing some assessments to support teachers with planning for the spring term. We are extremely proud of the effort, resilience and positive attitude they have shown throughout.

Year 3 have been working incredibly hard on their nativity rehearsals. The singing, acting and enthusiasm are all shining through, and we can't wait to see their final performance later this month.

Wishing everyone a wonderful week full of festive joy!

Best wishes,

Zoe Loosemore
