Fair Oak

Dear Parents and Carers,

My final newsletter and the end of our Autumn term! I wanted to take a moment to share my gratitude and reflections as your Interim Headteacher. Since joining the school at Easter, it has been a privilege to work alongside such dedicated staff, wonderful children and a supportive wider community.

From the very first day, I have been struck by the warmth and kindness shown throughout the school. Getting to know the children - their individuality, enthusiasm and kindness has been an absolute highlight of my time here. They are a credit to you and to the school.

I would also like to thank our staff team for their dedication, commitment and care. Their hard work in creating a safe, nurturing and ambitious learning environment has been inspiring and it has been a privilege to work alongside them. I have also deeply appreciated the support and engagement of Parents and Carers. Your partnership makes such a difference to the life of the school and I am grateful for the encouragement you have shared.

As we look ahead, we are sadly saying goodbye to several valued members of staff. We wish Miss Greaves and Miss Tesch from our LSA team, Teachers Miss Rixson, Mrs Brown and Mrs Peckham, our Assistant Site Manager Mr Gowers (although he will still be here in Little Oaks) and Mrs Goves from the school office all the very best for the future. Each of them has contributed so much to our school community and they leave with our heartfelt thanks and warmest wishes.

Although my role here was always temporary, it has truly been a rewarding experience. I leave with great memories and a deep admiration for this community. I am confident that the school will continue to thrive under its new leadership and I look forward to hearing about the successes and achievements to come.

Thank you once again for welcoming me so warmly and for the trust you have placed in me over the past few months. I wish every family a wonderful Christmas break and the very best for the future.

Best wishes,

Zoe Loosemore
