

Issue 16, Tuesday 13th January 2026

Mrs Steven, our Child and Family Welfare Officer, is pleased to introduce her new parent information pages, which brings together a wide range of helpful advice, information and resources that is regularly shared with families, all in one easy-to-access place.

There are two dedicated information pages: one specifically for families of children with SEND, and one for all families.

The information will be kept updated to ensure it remains relevant and useful, and we hope it will provide helpful support for you and your family.

You can view our new page for SEND families [here](#) and for all families [here](#).

Year 3 News

There is no news specific to Year 3 for this week.

Year 4 News

Swimming Programme

This week has seen the start of our Year 4 swimming programme with the children thoroughly enjoying the sessions so far. For more information about the lessons and what your child will need to bring on their swimming day, [please click here.](#)

Year 4 Movie Night

Fair Oak Junior School PSA are excited to announce a Year 4 movie night which will take place on Thursday 22nd January. More information about the event can be found [here.](#)

Year 5 News

With just under a month to go until our Stubbington residential trip, all information about the trip can be found on our Year 5 website page [here.](#)

If your child is taking part in the Stubbington trip, they would have been sent home yesterday with a form to be completed. **Please can this be completed and returned to school no later than Friday 16th January.** If you have not received this form you can find these on the Year 5 website page [here.](#)

Year 6 News

SATs Information Evening

It was lovely to see so many parents at our information evening last night. For those that were not able to attend, you can view the presentation [here.](#)

Year 6 Parents Evening

We are pleased to provide details of Year 6 class Parents' Evening meetings. These will take place on the 3rd and 4th February and appointments are to be booked using Arbor. **Bookings will 'go live' in Arbor on Tuesday 20th January at 9.30am and will remain open until 11am on Monday 2nd February.** Further information can be found on the letter [here.](#)

Year 6 News Continued

Young Voices @ The O2

We are very much looking forward to the Young Voices event in The O2 which is fast approaching - we hope your children are too! You will find the plans for the day and any additional information that we need by clicking [here](#).

We have received the tickets for Young Voices and transferred them to those that have purchased. You should have received an email from AXS, which tells you how to accept the tickets. We would advise doing this as soon as possible as, in the past, some parents have had difficulties with accepting the tickets and then this allows enough time before the concert to resolve issues. If you do face any issues, the first port of call would be to contact AXS and they should be able to help you.

For those that have not purchased a ticket or require additional tickets, there may be an opportunity to purchase tickets through the Young Voices website [here](#).

General Information and News

ELSA Study

Researchers at the University of Birmingham are carrying out the ELSA study which aims to screen children to understand their risk of developing type 1 diabetes using a simple finger-prick blood test, which can be done either at home or at school. We are pleased to be offering this screening at school on Thursday 26th February 2026, with an in-school session taking place during the morning, led by Research Nurses from Hampshire and Isle of Wight Healthcare NHS Foundation Trust. Your child will only take part if you choose to opt in, and further information about the study, including how to take part, can be found [here](#).

 **WHAT TO MAKE?**
