

Issue 17, Tuesday 20th January 2026

IMPORTANT!

Please could we remind parents and carers not to drive down to the staff car park near the office when dropping off children for breakfast club or morning athletics club.

Using this area for drop-off prevents staff from accessing the car park and arriving on site promptly to prepare for the school day.

In addition to this, to promote safety, we ask that all children and adults dismount from scooters and bicycles when entering the school grounds.

These measures are in place to ensure the safety of everyone in our school community, particularly during busy arrival and departure times.

Thank you for your understanding and cooperation.

Young Voices @ The O2

We are very much looking forward to the Young Voices event in The O2 on Thursday - we hope your children are too! You will find the plans for the day and any additional information on what the children will need to bring [here](#).

We are estimating our return time as being midnight. If this changes significantly, we will message parents with an updated ETA.

As the Thursday is such an exciting and long day, children can arrive on Friday for either the start of the normal school day or at 10.30am so that they are ready for learning after break. **If your child is not coming to school for the normal start time, please notify the school office before 9am so that we know that they are at home and safe with you, and order their hot school dinner if they will be having one.** This absence will be recorded as authorised.
