## Year 6 News

### Message from Mr Naxton

Myself and the team wanted to send home a message to say how proud of the children we are. Last week, we completed our mock week with the children experiencing what SATs week will be like. I can honestly say they all took it in their stride. It was fantastic to see them approaching every challenge and test paper with positivity and a can-do attitude: showcasing the amazing progress they have all made - well done Year 6! We will be sharing their results with them over this week and will be sending these home with the children to share with you.

I would also like to say thank you to the parents and carers for your support in ensuring that the children remain as positive and as best prepared as possible.

**Please find more information and details about the upcoming SATs week [here](#).**

## General Information and News

### Break the Rules Day

On the last day of term, Thursday 26th March, we are excited to be holding a Break the Rules Day. This event has been organised by our Pupil Councillors to raise money for new playground equipment.

On the day, pupils will be able to “break” some of the usual school rules in exchange for a small donation. The chosen rules will still ensure that everyone remains safe and respectful, and it promises to be a fun way to end the term.

Donations can be made online via our PSA website [here](#).

### Year 5 and 6 Vocal Festival 12<sup>th</sup> March - Thornden Hall

If your child is attending the Vocal Festival, they can prepare for the event by practising the music, which can be found [here](#). A copy of the letter that was sent home to pupils who are participating is also available [here](#).

Final reminders for those attending the Vocal Festival on 12<sup>th</sup> March:

- Children are to wear full school uniform.
- Please bring a packed tea and a water bottle (we will have lunch at school as normal but the children will need an additional evening meal).
- Children need to be collected from Thornden Hall as we will not be returning to school.

### Walk Wheel Cycle Trust's Big Walk and Wheel

Fair Oak Junior School will once again be taking part in the Walk Wheel Cycle Trust's Big Walk and Wheel, the UK's largest inter-school walking, cycling and scooting challenge, running from 16th to 27th March 2026. Pupils, staff and families are encouraged to choose active travel for the journey to school, with walking, cycling and scooting all counting towards our school's result. Please visit our website [here](#) to find out more information and how to take part.

### Vacancy - Learning Support Assistant

We are looking for an enthusiastic and motivated individual to join our Fair Oak family this term as a Learning Support Assistant. You will be supporting in class generally but also providing some 1:1 support for some of the children in class. To find out more about the vacancy please visit our website [here](#).
