READ ALOUD COMPETITION

A Message from Mr Jacobs

As the final of the 2026 Read Aloud competition approaches, I wanted to say thank you and congratulations to every child who has taken part in this competition. It has been amazing to see the talent throughout the school. Good luck to our finalists:

Upper School

Abigail
Sam
Emilia
Matilda

Lower School

Edmund
Annabelle
Nathan
Erin

Enjoy the moment and be very proud of all you have achieved.

IMPORTANT!

Class photos will take place on Thursday for Years 3-5. If your child has PE or a sports club that day, please ensure they come into school wearing their uniform, with their PE kit that they can change into later on in the day.

Year 6 class photos will take place on Wednesday 25th March.

General Information and News

Break the Rules Day

On the last day of term, Thursday 26th March, we are excited to be holding a Break the Rules Day. This event has been organised by our Pupil Councillors to raise money for new playground equipment.

On the day, pupils will be able to “break” some of the usual school rules in exchange for a small donation. The selected rules will still ensure that everyone remains safe and respectful, and it promises to be a fun way to end the term.

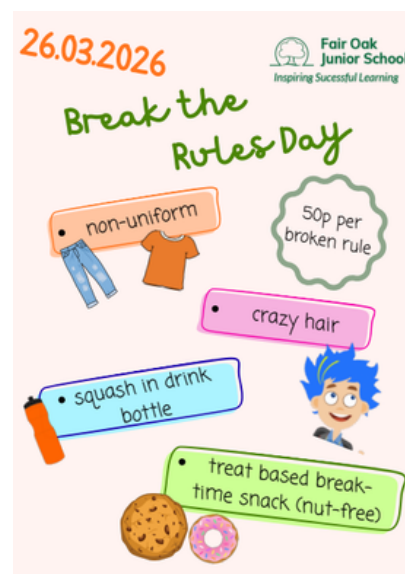

Donations can be made online via our PSA website [here](#).

School Smartphone Survey

We invite all parents and carers to complete a short, anonymous survey (approx. 5 minutes) about children’s use of smartphones and social media.

Your feedback will help us understand views, experiences, and whether families would value more information or a future meeting on this topic.

The survey is parent-led and inspired by the Smartphone Free Childhood movement. More information, including links to their website and how to get involved, is available on our school website [here](#).

A Message from Mrs Cooper

Thank you to all our parents and carers for supporting us this week by helping to reduce the number of cars coming onto campus for our parents’ evenings. As we share the site with several other schools and facilities, parking can often be a challenge, so we really appreciate the efforts many of you made to help ease the situation.

For future events, including upcoming PSA events, we will aim to open and supervise our own playground for anyone who needs to drive onto campus, which should help reduce traffic congestion on site.

That said, your continued support in limiting the number of cars coming onto campus wherever possible is very much appreciated.

Thank you again for your understanding and support.
