

## Fair Oak Junior School – Hampshire Music Service Taster Lessons

### Fantastic Opportunity! Free Taster Lessons on Woodwind, Brass and String Instruments!

Dear Parents,

In partnership with Fair Oak Junior School and Wyvern College, Hampshire Music Service is offering free taster sessions for all children interested in learning the trumpet, trombone, flute, clarinet, saxophone, violin and cello.

A couple of weeks ago there was a special concert assembly for all children featuring young musicians from Wyvern College, directed by Samantha Wood (Director of Music at Wyvern). The children were treated to several pieces featuring the instruments they can learn and a chance to hear more about these instruments.

As a follow up to this performance, we are delighted to offer the chance to have a 'try' on one of these instruments, followed by 2 'free' lessons on provided by Hampshire Music Service teachers.

All children who would like to continue learning after these taster lessons will be able to do so from September 2026 on the instrument of their choice at a cost of £315.

To book your child in for free taster lessons this summer term, please complete this form by **Thursday 21<sup>st</sup> May**, where you will also be able to select one of the below instruments to try out.
