General Information and News

Joseph and the Amazing Technicolor Dreamcoat

We are delighted to announce that a choir from our school will be taking part in Spot On Productions' Joseph and the Amazing Technicolor Dreamcoat at The Point, Eastleigh this July.

The choir will be performing on Saturday 18th July at 7:30pm and Sunday 19th July at 11:00am. The children are working hard to prepare for this exciting opportunity, and we would love to see family and friends in the audience supporting them.

Tickets are on sale and can be purchased using the link [here](#).

Fair Oak Junior School Planters

We hope you have enjoyed seeing the wonderful planters installed by our 'Eco Warriors' just before half-term. Over the past 18 months, we have been fortunate to work closely with the 'Tree and Bee Project' (an initiative led by Eastleigh Borough Council), alongside Fair Oak and Horton Heath Parish Council. We would like to extend our sincere thanks to Siobhan, Helen and Kirsty for their continued support in school, as well as for providing opportunities for our pupils to be involved in planting at Knowle Park.

These planters mark the beginning of our journey to enhance biodiversity across the school grounds. Our Year 5 pupils have already developed a range of thoughtful designs for further improvements, and we are excited to see these ideas begin to take shape. We look forward to sharing more developments over the coming months as our vision becomes a reality.

Please do keep an eye on the sustainability page on our school website [here](#), where we will be sharing updates and celebrating our progress as this sustainability work continues.

IMPORTANT UPDATE - LITTLE OAKS AFTER SCHOOL CLUB

We would like to inform you of some upcoming changes to Little Oaks after school club, **which will take effect from September**. Following the success of our breakfast club booking system, we are introducing a similar approach for after school provision to offer greater flexibility and convenience for our Fair Oak families.

For existing users, the main change is that all sessions will now need to be booked in advance via the Arbor app. As part of this new system, accounts must be in credit in order to secure bookings. If you currently pay using childcare vouchers, please be aware that these payments can take up to two weeks to appear on your Arbor account, so we kindly ask that you plan ahead to avoid any disruption to your bookings. If you have any questions, please do not hesitate to contact us.
