Dear Parents & Carers

This week in assembly we introduced our new Fair Oak Values to the children. As Mr Jacobs explained in Oak Bites, these values (Respect, Resilience, Integrity and Curiosity) have been developed through the collective voice of our children, parents, staff and governors, reflecting what matters most to our school community.

Please encourage your child to engage in the logo design competition. We would like as much participation as possible.

One of the things that I have seen this term in year 6, linked to resilience, is children being able to work for longer periods with uninterrupted concentration. Year 6 is all about getting 'secondary ready' and the ability to focus on learning for long periods is key.

Well done year 6.

A special mention this week to Mrs Steven. Mrs Steven works tirelessly to support our families and is a real advocate for the children.

She also has the strength of character to laugh at me when I make a mistake, which keeps me grounded. Super.

Enjoy the lovely weather, while it lasts.

Jim Hartley
Interim Headteacher
