NAME
EVERYTHING!

Binoculars, cameras and torches are all useful items to bring and will help children make the most of their experience. However, children will be responsible for looking after their own belongings. Please be aware that the school cannot accept responsibility for items that are lost or damaged during the trip.

No electrical items or other valuables should be brought e.g. no mobile phones, personal stereos or electronic games.

Name EVERYTHING! Give the children a kit list so they know what to pack at the end of the week.

There is a tuck shop. Pocket money will be looked after by staff. No more than £10 and it is not to be spent on food. Pop in a named envelope.

Please do not include (hide or smuggle) any snacks or drinks in your children's luggage. This is to ensure we have no issues with possible allergies - we have 2 children with epi-pens

Medical form will include a section on dietary needs.

A little reassurance

- We know this may be your child's first time away from home, and we understand that can feel daunting — for children and parents!
- Please be reassured that we will look after them, support them and keep them safe.
- I will act in loco parentis — meaning I will take on the responsibility and care of your child while they are away from home.
- Please complete the medical forms carefully — they are really important in helping us care for your child.
- Please keep your phones on and be available if we need to contact you.
- There will be no routine phone calls home. We want children to settle, enjoy themselves and experience being independent.
- If we ever feel that your child cannot be kept safe, we will contact you and ask you to collect them.
- Most importantly... they are going to have an amazing time!

Reminders of deadlines:

- £60 will need to be paid by **Thursday 29th October 2026**
- Final amount of £120 by **Monday 1st March.**

Would like to thank the team.
